

Sziget Parking Parking Regulations (General Terms and Conditions)

The purpose of the Parking Regulations is to set the terms and conditions of parking, to ensure clear responsibilities for both parties, the operator of the car park and the driver and/or passengers of the parking vehicle. Any responsibilities or claims derived from any breach of the Parking Regulations are also valid after leaving the car park.

The agreement is set between the operator and the Client purchasing the respective ticket for outdoor parking of a vehicle. The agreement step into force with the beginning of the parking, according to the regulations as follows.

These Parking Regulations are governed by Hungarian Law, without regard to possible conflict of laws.

General

1. The parking facility is operated by Sziget Cultural Management Limited Liability Company (Operator).
2. The Operator offers two types of services, the "Sziget Parking" and the "K-Bridge Parking". Unless these Parking Regulations state otherwise, all rules are to be applied to both types of services.
3. The parking facility and the individual parking lots are accessible 24 hours every day between Sunday, 2 pm, 05.08.2018 – Wednesday, 6 pm, 15.08.2018.
4. The "Sziget Parking" facility can be found right next to the festival area and can be accessed through Bridge H coming from Árpád Híd, while the "K-Bridge Parking" facility can be found immediately next to the Festival area and can be accessed from the direction of Szentendrei út, after "K" Bridge.
5. In case the parking facility is full, the Operator reserves the right to redirect the clients to other parking facilities (with similar service and similar distance to the main entrance).
6. Please look out for our colleagues at the parking lot's entrance. The exchange of the vouchers will also happen at the entrance.
7. You will be able to enter the parking area with your parking ticket. The voucher itself does not allow you to use the parking lot, you need to exchange it to a parking ticket.
8. After entering the parking area, you have can walk to the festival area from any of the parking facilities.
9. You will be able access your car during the festival in any of the parking facilities.
10. In case of the "Sziget Parking" facility the parking ticket allows you a onetime entry only.
Once you leave the parking lot with your car, you will only be able to return if you buy another parking ticket.
11. In case of the "K-Bridge Parking" facility the parking ticket is transferable and can be used multiple times, but is only valid for one vehicle at a time. When entering the parking area we will take the parking ticket and give it back when the vehicle leaves.
12. The parking facilities are well guarded, but we don't take responsibility for your car and luggage left in the car.

Traffic rules

13. The regulations of the Hungarian Highway Code (KRESZ) are applicable within the parking facilities with the alterations determined in these Parking Regulations. Clients are obliged to follow these regulations as they enter the parking facilities. The speed limit is 15 km/hour within the parking facilities.
14. Clients are responsible for damages they do in the parking facility and/or in other parking vehicles. The Operator does not take any responsibility for damages done by Clients in third persons' possessions.
15. Driving in to the individual parking lot is controlled by parking staff, if needed they provide help with the parking. While parking, and especially when getting in and out of the car, moving luggage or leaving the parking facility, Clients, drivers and passengers must not obstruct or hinder other vehicles' parking.
16. Clients are obliged to keep their vehicles locked and to take the keys with them. The Operator does not keep or store any keys or documentation; as a result, cars cannot be moved by the staff at any circumstances. Client accepts the extent of Operator's responsibility and the amount of the parking fee with regard to these conditions. Keys and other possessions cannot be stored, not even in exceptional cases or if it is asked for.
17. In case of fire, natural disaster, terrorist attack or any exceptional events caused by force majeure, where the operator does not have the means of providing security of property or personal safety, the orders of State or Municipal Authorities are to be followed.

Security procedures

18. At the beginning of the parking the Operator's staff provides a parking card for the Client, which contains the details of the car and the Client. When leaving, the person who has the parking card and the keys of the car is considered to be the rightful owner of the car, unless his identity is obviously doubtful.
19. The Client has to keep the parking card and show it to the parking staff while leaving. If the parking card is lost, the person whose name is in the registration document of the car is entitled to take the car.
20. The operator does not accept any liability for damages or loss resulted from the loss of the parking card.
21. The operator does not accept any liability for any dirt or damages resulted from outdoor parking.
22. The operator does not check or register the items left in the car, so it does not accept any liability for these possessions.
23. The operator is not liable for any possessions left in the car, including phones, tablets, computers or navigational tools.
24. Explosives or flammable materials (other than petrol in its tank), living animals, biohazardous, perishable, poisonous, radiating or in any other way harmful materials or anything that is illegal to possess must not be kept in the parking vehicle.
25. If it is suspected that any of the above mentioned materials is in the car, the operator informs the authorities and follows their instructions.

26. The operator does not accept any liability resulted from the violation of point 13, the client responsible for any damages or claims.
27. If there is a debate about the vehicle's condition, the client has to prove the difference to the condition recorded by the operator. The client bears all costs of the proving, even if his/her right is proven.
28. Fees: Our current fees can be found on our homepage.
29. The client acknowledges that if the parking fee is not settled completely, the operator can withhold the vehicle according to the law.
30. The client acknowledges that he/she is only allowed to leave the parking lot after paying the fee, in case of disagreement the parking staff can withhold the car.
31. No further claims can be based on the withholding of the car by the client.
32. If the person who wants to take the car cannot show the parking card the right of disposal is investigated individually.
33. No claims can be raised against the operator resulted from disagreement about the right of disposal.

Liabilities of the operator

34. In exchange for the current parking fee, the Operator keeps the parked vehicle in an outdoor parking facility.
35. The Client is obliged to pay all due fees and to follow the rules of these Parking Regulations.
36. Apart from following these regulations and trying to enforce them the Operator has no effect on other people's behaviour.
37. The operator has no responsibility for any third party's behaviour, especially not for intended and inevitable damages, vandalism, theft or burglary done by them, regardless of their presence in the parking facility had been rightful or not.

Liabilities of the Client:

38. The Client must have valid liability insurance for the car during whole period of parking. The Operator does not take over the car, its parts or accessories or possessions kept inside, so it is not responsible for any damages in them. The Client is aware of and accepts these facts when accepting the amount of the parking fee. The Operator does not accept liability for damages done by weather, natural disasters or any other conditions.
