

Tender for food-type commercial activity

Sziget Ltd. is launching a tender for all food-type commercial activities at ***VOLT Festival, Balaton Sound and Sziget Festival*** in 2016. Sziget Ltd. is striving to offer a wide range of catering facilities for its visitors, thus we are open even to the oddest ideas.

The caterer/host winning the tender gets the chance to run a food-type catering unit at the venue of the festival, where besides food, it is possible to offer soft drinks, mineral water and energy drinks, too.

Under no circumstances can alcoholic beverages, coffee and/or cigarettes be sold here.

In order to have a valid application for the tender, you need to enclose the following materials:

- a completed application form;
- a presentation of the catering relocation, preferably with a photo or a drawing (at least 3 of these);
- a list of the meals and food-products to be sold, with planned selling prices (a menu, or at least 3 photo illustrations);
- a functioning background-kitchen with a valid operating license or pop-up store license;
- certificate of incorporation or business license;
- a separate permission licensed by the National Food Chain Safety Office;
- technical equipments (a list of all the kitchen-technology devices necessary for the relocation, with capacity indicated in watts or kilowatts, too);
- a presentation of venue of operation;
- references.

Sziget Ltd. can only sign a contract with partners who possess and present all the necessary official documents (operating license, certificate of incorporation).

Special information about the festivals of Sziget Ltd. that you need to consider:

Catering units within the territory of the events are situated in so-called blocks. It is only possible to sell food-type products at these locations. In order to achieve a uniform image, you will need to use our unified building-bases for most locations of the event, and applicants need to use these units throughout the entire duration of the festival. However, we are looking for the vision-drafts of your installations, too! (In case you are willing to re-locate with your own tent or a structure rented from another company, its certificate needs to be enclosed, too; and if you are willing to use a pre-built structure, you need to enclose the technical drawings and statics details of it, obviously.)

Within these blocks, the location of a given catering unit will be determined by the Commercial Department of Sziget Ltd!

Each applicant will receive an e-mail concerning the evaluation of their tender after **1st April 2016**. The successful applicant, who is not signing the contract by **15th May 2016**, will lose its venue and a first-come-first-served basis will take place.

Sziget Ltd. is using a special card-system to avoid all cash-exchange at the catering units and all other trade units, too, thus no cash will be accepted at the events. In case Sziget Ltd. chooses the change the

decision about the non-cash system at least 15 days prior to the festival, catering units are expected to accept Hungarian forints as well as Euros as the official currency of the event. The host is expected to accept Euros within the range of an exchange-rate indicated by Sziget Ltd.

Conditions concerning various units

Great warm-kitchen unit, hereafter Buffet

This tender is for opening a catering facility that offers hot –or cold kitchen products for the guests of VOLT Festival, Balaton Sound and Sziget Festival in 2016. We are looking for facilities that have a wide range of offer with proper background-kitchen and utensils and could serve a larger audience.

Product range available: any type of hot- or cold kitchen product, perhaps confectionery products. We recommend you offer 30 percent of your supply of take-away type meals. Besides, the unit is entitled for selling soft drinks, mineral water and energy drinks.

Under no circumstances can alcoholic beverages, coffee and/or cigarettes be sold here.

The operation of each unit must follow the prescriptions of the authorities.

Service fee* at VOLT Festival: 23, 5% of the catering unit's gross turnover

Service fee* at Balaton Sound and Sziget Festival: 25% of the catering unit's gross turnover

*** includes the fee for the use of the card payment system**

For the above service fee, Sziget Ltd. provides the followings:

- a bar length of maximum 12 meters;
- 16,7 kW power;
- mobile toilets for the staff (in every catering block);
- waste-collection points in close proximity of the a catering-blocks, where you can get rid of your litter in closed bags;
- 2 limited permission for car-entries for the festival-venue;
- 1 water-set up-point for each unit;
- throughout the entire duration of the festival, wastewater will be removed;
- throughout the entire duration of the festival, scraps and cooking fat will be removed;
- cleaning of the surrounding of the catering unit is also guaranteed throughout the entire duration of the festival.

Each subcontractor needs to purchase all necessary day tickets and passes for operation. The subcontractor (vendor) passes in 2016 cost: 26 000 HUF for VOLT Festival, 44 000 HUF for Balaton Sound and 42 500 HUF for Sziget Festival.

Besides the above-mentioned equipments and devices, a wide range of other services and tools can be ordered from Sziget Ltd. as extra services.
